BROOKSKIN^{MD} HYDROXYFOAM CLEANSER

"I can't live without my BrookSkin^{MD} Hydroxyfoam Cleanser. It's a perfect blend of a facial cleanser and acne treatment. The active ingredient is salicylic acid which not only prevents breakouts but makes my skin feel very clean and ready for all of my additional skin care products to be applied!"

POWER PEEL MICRODERMABRASION

This is a safe, non-surgical treatment that gently exfoliates by removing dead skin cells revealing a softer, smoother skin tone. With repeated

treatments, microdermabrasion can reduce the look of fine lines, wrinkles, and superficial scars.
